**Scoring:**

50-41  
You know who you are and what is important to you, and you aren’t afraid to speak it. Congratulations and keep up the great work!

40-31  
You are on the right path to growing your Inner Confidence! Take note of the lower scored items and begin to focus your growth in these areas. A little extra support in polishing these areas could help you to really shine.

30-21  
You have confidence strengths and challenges. Awareness is always the first step. You have the desire to grow, yet often put others’ needs ahead of your own or get stuck in over-thinking things. Coaching can help you develop the skills, tools, and strategies to build the self-trust and Inner Confidence you’re looking for.

20 and below  
You are a very caring, heart-based person who doubts yourself, puts others first, and thinks others’ ideas and opinions are better than yours. That’s not true. You have your own thoughts, opinions, value, and worth. Coaching can help you find and develop your true self – the part that’s just waiting to be discovered.
